

NIGERIAN BREWERIES Plc

RC 613

FOOD SAFETY POLICY STATEMENT

Nigerian Breweries Plc as a responsible corporate citizen and operating company of Heineken International B.V., in conformity with the relevant Legislation and Regulations of Nigeria, is committed to the production and marketing of safe and high quality beverages.

Nigerian Breweries Plc provides adequate resources to establish and maintain a Food Safety Management System.

This System is based on HACCP principles and ensures that our products fulfil customer/consumer food safety expectations through:

- * Implementation and sustenance of effective Good Manufacturing Practices as detailed in our Pre-Requisite Programs.
- * Prevention or elimination of food hazards.
- * Establishment of measurable food safety objectives.
- * Establishment and maintenance of a Food Safety Management System certified by an internationally recognized certifier against ISO 22000: 2005 food safety standard.
- * Continuous internal and external communication regarding food safety with all parties from primary production to consumption.
